Angels For Benji

Meet Benji, a five month old little Shih tzu boy. He appeared at the shelter just days ago, brought to us by a very distraught owner.

Normally a puppy of this age would be wiggly and happy, but what she held in her arms was a very floppy, lifeless little dog. Through tears of grief, she explained she purchased him from a Craigslist ad a week earlier. During his short time with her, she would see either a pacing, circling, agitated little dog, or momentary flashes of a normal puppy.

She feared the pup perhaps had a brain tumor and should be put to sleep. In her heart, she just could not stand the

thought of him dying. Heartbroken, she came to Hillside hoping to get help for him and possibly save his life. Little sweet Benji became ours, and true to our determination to help animals in need, he was whisked off to the vet!

Testing determined he has a liver shunt. In order to improve his quality of life, especially since he is so young, he must have surgery and this surgery must be performed by a specialist. The cost of the exam, imaging and subsequent surgery and care will cost nearly \$6,200.

Joe's Fund, which pays for the medical needs of all Hillside animals (including spaying and neutering of the residents and caring for the recent influx of many special needs animals) will be once again stretched to its limit.

But we believe Benji deserves a chance to live. He is the sweetest little boy and with some

initial medicine we have seen a little glimpse of the true puppy he is. With surgery he can do so much better.

Your support of the Hillside SPCA and our work helping animals in need, like Benji, means so very much. In this season of "angels", won't you be a guardian angel for Benji? A donation of any size to Joe's Fund (see Page 2 for more info) will help little Benji be a healthy puppy who can grow into a healthy, happy adult.

Donations can also be made quickly and securely on-line at www.hillsidespca.com.

Thank you from all of us — and little Benji!

When you give the gift of your time, you'll get back as much as you give — even more. You'll never find a more grateful and accepting comrade than an animal you have comforted. You'll make lots of new friends — and not just the four-legged kind. You'll discover skills you never knew you had and may be surprised at what you're capable of achieving. There are many, many ways you can volunteer to help the Hillside and animals. Contact us today at 570-622-7769 to learn about current and up-coming opportunities to get involved and give the perfect gift!

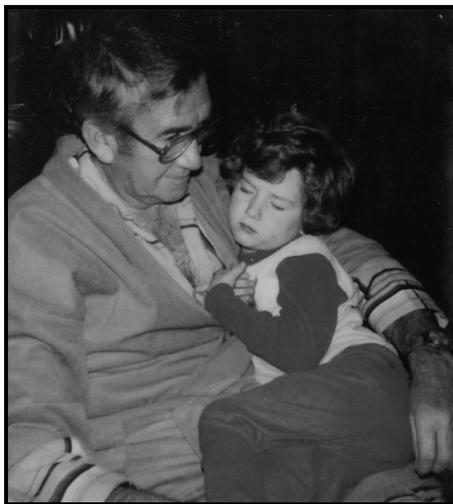

Beyond My Dreams

This is a picture of my son, Joe, with my Dad on Christmas Eve after hours of trying to get him to sleep. Joe was so excited for Christmas to arrive!

You, my Joe's Fund supporters, broke many records this year helping us spay, neuter, and care for so very many animals in need! Congratulate yourself, as I congratulate you! As you may know, it was our 30th anniversary this year of being here to help animals who need us. It would take a short novel for me to list all the animals that you saved!

The vast majority of animals that we take in are not spayed or neutered when they arrive. We are able to get them all done because of you, and many of the nightmares of those future litters of countless unwanted, homeless animals are put to rest!

The many cruelty cases we dealt with this year were often so severe many of the rescued animals needed expensive

vet care which we could not have provided for them without you and your loving, generous — and often selfless — support. Now so very many are all happy, safe and loved.

Joe's favorite holiday was Christmas, and you have made this the best one ever thanks to your kindness. You

made so many of my dreams come true.

When I lost my Joe nine years ago and started his Fund, I never dreamed it would become what it is today. Every vet bill, which is an enormous on-going cost to us, is paid by Joe's Fund.

I won't physically be with my Joe on Christmas, but when I walk into the shelter that morning and see all the faces that will celebrate Christmas, (and each and every other day you have given them) Joe will be with me — all because of you. My dream come true would be that your holidays, celebrations, and lives are as happy and glorious as you have made so many for all of us. I love you more than words can say. You mean so very much to so very many

*Forever with loyalty and love,
~ Barbara, Joe, and past,
present and future residents of

Sending Blessings

Dear best, marvelous, wonderful supporters — As the oldest residents at the shelter, and with Hillside (which we love) being our permanent residence, we wanted to be the ones to thank you for your 30 years of unwavering and heartfelt support.

Allow us to introduce ourselves. I am Dana, the dog, and I came to the shelter 13 years ago after being horribly abused. Back then, I earned the nickname “Dangerous Dana” because I lashed out at those trying to love me due to my fears and lack of trust. The Hillside staff saw potential in me and showered me with unending patience and love until I opened my heart and fell in love with them — but only them. I never wanted to leave the Hillside because I’m safe and loved and treated like a queen.

I’m Denise, the cat, and I was in the same situation as Dana having been badly abused by my owner who threw

me against a cement wall. I also fell in love with the Hillside staff and never wanted to leave.

Our shelter mommies and daddies, along with our dedicated Board, always go the distance in so many ways to help each and every one of us who enter the Hillside SPCA’s doors.

This year was Hillside’s 30th anniversary of being here for those of us in need, and we were all so excited to celebrate that milestone! Unfortunately though, it also turned out to be one of the most difficult and trying years in the shelter’s history — and believe me, there were many difficult years.

This year, the number of animals coming in tripled as well as the number of cruelty cases needing investigation, rescue, and extensive care. The staff was frequently feeling devastated — emotionally and physically worn down over the sheer amount of work, unwanted and abused animals, and the stress that accompanies doing the work they do.

And to top it off, they are often the recipients of criticism from those who do the abusing of us and people who would never be able to do the jobs they do for one day — probably not even for one hour! As we sit silently watching them shedding tears of frustration, our hearts break for them.

But they are strong, and we are strong, and life goes on. There are (and sadly, always will be) other animals that need care, rescuing, and lots of TLC. The Hillside SPCA along with you, our faithful supporters, and the dedicated staff and volunteers know what really matters — putting animals in need first. If there was no Hillside SPCA, what would have happened to all of us? I shudder to think...

In this season of counting blessings, all of the residents here at the shelter want to tell you just how much we love and appreciate you for giving us the Hillside and count you — and those who give from the bottom of their hearts in so

many ways — among our greatest blessings.

We furkids here at the shelter wish this wish for you — may you have the merriest of holidays and a glorious new year filled with love and joy like you have given to so very many of us. Without you, we would be gone.

We send you an “all paws” salute filled with love and want you to always remember how much we cherish the miracles you have created over the years.

~ Dana, Denise, and everyone at the Hillside SPCA

A NOTE TO SANTA

Dear Santa,

What we residents of Hillside would like most for Christmas is, of course, to be adopted by someone wonderful who will love and care for us all our lives. Every day we wait patiently for that special person to look into our faces and see the love in our eyes and say, "I want you!" Oh, it would be so grand!

We know, Santa, that it's hard even for you to find homes for all of us and, if you cannot, we know we will be very comfortable and cozy here at the best animal shelter in the whole wide world. Please dear Santa, put "Adopt Chloe and Fetta and Benji and Two Toes and Kramer and Phippen and Little Bear" at the top of your list. They especially deserve to find their forever homes.

We also ask that you deliver good health, prosperity, peace and love to all the generous and wonderful people who donate and help us all year long. We want them to be filled with joy, knowing that we will be celebrating our Christmas here at Hillside, a warm and cozy haven with great food and toys. Best of all, we will be surrounded by love because of them. They deserve it all, Santa! We love them all so much; please make all their dreams come true! And please, make our dreams come true, too!

— Love, Baja the cat and Esther the dog

High Postage Costs

To help defray the high cost of postage, it will be greatly appreciated if either a first-class rate postage stamp or a self-addressed stamped envelope be included with your mailed donations if you require a receipt or acknowledgement. Every little bit helps as we continue to struggle to keep our doors open. Thank you!

Did you know that it's Christmas at Hillside all year long? Really, it is.

More than a few mornings throughout the year, we are happily surprised to find bags or boxes filled with food, toys, supplies and a host of other items, right on our doorsteps.

We never know who leaves all the wonderful goodies; so unfortunately, we never get to thank them. We really love being surprised by Santa's elves year round. So from all of us here — residents, board and staff alike, thank you very much dear, kind elves for giving us Christmas all year long!

Christmas for Kenny

Eight month old Kenny was in a terrible way when he came to us in October. Much of his side was ripped and punctured, with fiery red flesh exposed and lots of pain. It appeared he was bitten by another animal, perhaps a territorial tomcat.

It was off to the veterinarian for Kenny where he was examined, cleaned up, medicated and stitched together. But would the stitches hold? There was very little skin to work with; the injuries needed to be secured and only time would tell. Kenny was placed in foster care where his wounds would be carefully flushed and medicated several times a day. It would be quite a while before Kenny's side would be healed and normal.

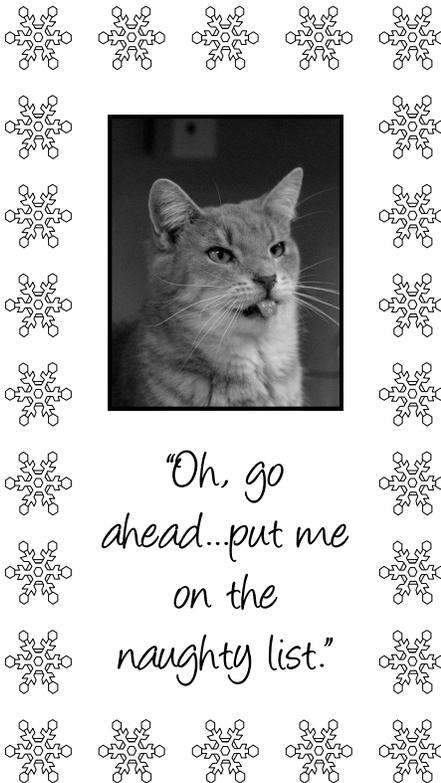

Cute, spunky Kenny is an exceptional feline. Throughout his daily treatments he was very accommodating. As soon as his foster mom sat down and placed a towel on her lap, Kenny waited at her feet, looking right up to her as if to say, "Okay, I'm ready. Let's get the job done!" Although he wasn't overly fond of what he likely considered "the silly blue collar" he wore, it prevented him from licking or biting at his skin. Like so many other things in his now restricted life, he did come to accept his blue collar.

Unfortunately, as the vet feared, some stitches did not hold together. This meant Kenny's healing time would take longer. He's come a long way, though.

It takes time for fur to grow back, and there might be some scarring, but things are looking very good. Kenny is such a sweet, sweet guy. He purrs so much his name should really be Purr Box Kenny. He's endured a lot, and happily, is now ready for his forever home. His wish, our wish, is for him to spend Christmas with his forever family. Could that forever home be yours? We hope so!

With a lot of help from Kenny's friends — his vet, his foster mom, Mother Nature and of course, Hillside SPCA — Kenny's road to recovery has been a successful one. Healing and caring for animals in need is our mission and your generous support makes it all possible.

Whether you donate to our general fund which keeps our animals fed; buildings heated, lit, and maintained; vehicles running, and employees and insurances paid; or to Joe's Fund, we appreciate and love you with all our hearts!

"Oh, go ahead...put me on the naughty list."
