

## Helping Hands

A publication of the Hillside Society for the Prevention of Cruelty to Animals, Inc., 51 SPCA Road, Pottsville, PA 17901

### Launching a Legacy

Hillside SPCA launches a Capital Campaign to fund a **Veterinary Spa Neuter Clinic**, which will provide access to low cost veterinary services to the general public as well as reduce the overall operating costs for the shelter. The project came about when the current Veterinarian, Dr. Andrews, learned of the shelter's long term goal of establishing an onsite clinic and agreed to partner. "Being able to provide medical services on site is a tremendous opportunity for both Hillside and the community," said Board President Donna Boyd.

In addition to the creation of a fully operational medical facility, Hillside will construct the **Barbara Umlauf Welcome Center** and **replace 38 dog kennels** as well as windows and doors.

The Capital Campaign provides numerous opportunities for sponsorships →

### Campaign Sponsorship Levels

#### Legacy Sponsorship \$25,000+

- Launch a legacy with a building dedicated in your name. A dedication event & half page photo published in the newsletter

#### Corporate Sponsorship \$5,000-\$15,000

- Promote your organization with a logo plaque prominently displayed and an advertisement in the newsletter (Half, Quarter, & Eighth).

#### Kennel Sponsorship \$2,500

- Personalized sign placed on each kennel.

#### Courtyard Sponsorship \$1,000

- Personalized brick to be placed in the Memorial Garden.

#### Friends of Hillside Sponsorship \$500

- Your name added to the Friends of Hillside Plaque to be placed in the Welcome Center.

*Any and all donations are welcomed!*

### Gigi Seeks a Forever Home

If you've visited the shelter in the past two years, there's a good chance you've met Gigi, who has been looking for a forever home for half of her life. Unfortunately, Gigi (who is 4 years old) hasn't had much luck so far. She was adopted and returned to Hillside twice since arriving at Hillside from a "high kill" city shelter. Gigi needs to be placed in a home where she is the only animal.

The longer that an animal stays at the shelter, the harder it is to place them and it is even harder still to place a pet in an "only animal" home because many animal lovers have more than one pet. However, the Hillside Staff isn't giving up and neither is Gigi. While she waits, Gigi has been cuddling with a llama toy as big as her. The Shelter staff keeps telling Gigi that her time will come... just like it has for the countless other dogs that have passed by her kennel.

Please call Hillside TODAY if you think your home might be the right fit for Gigi! She has a lot of love to give.

## Lasting Legacy with a Bequeath to Hillside

The family of Minna Kliebenstein (former Minna Naundorf, then Barto) generously donated the plot of land upon which their family homestead resided at 707 West Market Street. The home, which was originally purchased in 1958 by Elvin and Minna Barto, was sadly destroyed in a fire and demolished in 2018. Minna's family decided it was fitting to donate the plot of land to Hillside SPCA, in honor of their mother's support and admiration for the work the shelter does on a daily basis. Minna loved her home and the people and pets who lived there, whom she faithfully cared for there until her passing. This donation is a tribute to Minna's selfless generosity of spirit and her caring kindness that she extended to her pets.

"Hillside SPCA is, thankfully, the recipient of bequeaths from the estates of dedicated supporters of the animals that find their way through the shelter doors and that generosity is a God-send," said Board Vice President, Ron Brown. The shelter has utilized the funding bequeathed to them to pay operating costs as they are almost exclusively funded by donations.

## POLO'S SPECIAL SOMEONE

Polo came to the shelter in the fall of 2021 as a stray at about 4-5 weeks old. He was your typical playful kitten that stole the hearts of everyone he met. After a couple of months of being at Hillside, he was seen by the local vet. Polo was diagnosed with Pemphigus which is an autoimmune disease of the skin. Treatment would require immunosuppressive medication. He improved on the medication and was able to be put up for adoption as a special needs kitten.

On April 23, 2020. Polo was adopted by John and Michele

Woellner who specifically came just for him.

They understood his condition and wanted to give him the best life possible for as long as they could. They named him Joey and would frequently send updates on how he was doing.

This past summer, Polo (Joey) became very ill and had to be taken to an emergency vet hospital where he spent the next 5 days. Several tests, medications and even a blood transfusion later John and Michele were given news they certainly did not want to hear. Polo's (Joey) Pemphigus had progressed and they also learned he had bone marrow cancer. Knowing he didn't have much time, they took him home to spend as much time as possible with him. The next day he passed away with his family and as sad as they were, they told the shelter staff how thankful they were for the time they had with him.

It takes a very special family to take on a pet with such challenging medical needs, but those that do are truly heroes. Our thoughts and sympathy are with the Woellner Family as the mourn the loss of their beloved pet.

"In Memory" and "In Honor" **Contributions** may be sent to "Memorial Honors" Hillside, SPCA, P.O. Box 233, Pottsville, PA 17901. Those wishing to remember the Hillside SPCA in your will or estate planning, it is important to use our full corporate title "Hillside Society for the Prevention of Cruelty to Animals, Incorporated." Thank you.

## Calling all volunteers

Are you looking to add a little exercise to your week? Do you love animals but your landlord won't allow them? Are you looking for a way to earn community service hours while gaining valuable experiences that are great for a college application or resume? We can help with all these issues!

65-80% of animal shelters are nonprofit organizations with very little local funding. They can only afford to employ and pay a very small staff, and there never seems to be enough time in the day for the staff to get to all the jobs they need to do. Being available to walk/socialize dogs, cuddle cats, fill food and water dishes, or clean out pens and cages will go a long way in alleviating the strains that are put on the of the shelter. There is no experience needed for most of these jobs as you will be able to hit the ground running and make an instant impact. One thing you'll learn on your first day volunteering at an animal shelter is that everyone there has one

thing in common: a love of animals. This passion for animals is the driving force behind most animal shelters, and they would not stay in business without the combined effort of animal lovers. Volunteer for Hillside SPCA and feel good knowing that you are making a difference in the lives of homeless pets! APPLY TODAY AT: <https://www.hillsidespca.com/volunteer/>

## The Scouts Give Back

Three amazing young people focused their Community Outreach Projects on Hillside! First, Brennan Wagner with Troop 184 decided to run a donation drive for his Eagle Scout Project. His turnout was amazing! Brennan and his family made multiple trips with products and monetary donations given by his community. Brennan went door to door in the area he lives leaving flyers of items needed by Hillside. He included a pickup date, so his neighbors could just set the items outside for him to collect. The donations were much needed and we can't begin to thank Brennan for what he did!

Next, Manning Kelley with Troop 624. For his Eagle Scout Project, Manning took on the task of rebuilding part of a storage shed. The front of the shed really needed some attention so with the help of his father and some friends they built new doors, replaced the metal trim and Added a fresh coat of paint. What a difference it made!

Finally, Kaeley Walton with Girl Scout Troop 31085 went all in for her Girl Scout Gold Award with a painting project of the Big Dog Building. Kaeley raised all the money needed for the supplies and rounded up friends and family to help paint the building and doors of the Big Dog Building. They spent an entire morning prepping the buildings and doors for its fresh coat of paint later on in the week. When painting day came, Kaeley, along with her helpers, were here bright and early to tackle the task. The finished project looks amazing.

"The Hillside Staff is thankful to all of the Scouts for their dedication, hard work and community services," said Sherrie Schafer, Shelter Manager.
