

Dear Friends of Hillside SPCA,

The **Hillside SPCA** is a refuge for homeless, abused & unwanted animals. Hillside SPCA has **RESCUED** and provided **SHELTER** to an estimated **71,233** cats, kittens, dogs, puppies, goats, bunnies, chickens, and donkeys. Through the *Barbara Jean & Edward Krupa & Nittany Spay/Neuter Clinic*, Hillside SPCA spayed/neutered or provided essential veterinary care for **1039** animals last year. None of this could have been accomplished without your support and generosity. Thank you from the bottom of our paws!

The Hillside SPCA encountered an unforeseen challenge during **Phase III** of the **Capital Campaign**. We learned that the Large Dog Building will **NOT** pass inspection and must be replaced. The inspectors have given us until the fall of 2026 to remedy the situation. Your urgent help is needed to fund the replacement of this building and help us continue our mission. Urgent Help Needed: An Unexpected Phase III Setback Threatens Our Progress

As we entered **Phase III** of our **Capital Campaign**, we encountered an unforeseen challenge. During the planning and inspection process, it was determined that one of our existing buildings has deteriorated beyond repair and will not meet current inspection and occupancy requirements. As a result, **the structure must be completely demolished and replaced** to ensure the safety, health, and well-being of the animals in our care, as well as our staff, volunteers, and visitors.

While this unexpected development has increased the scope and cost of our project, it has also reinforced the importance of our mission. **Help us replace the Large Dog Building...**
